## DOMESTIC WASTEWATER SEWER SERVICE APPLICATION METROPOLITAN SEWERAGE DISTRICT OF BUNCOMBE COUNTY, NORTH CAROLINA

MSD must approve all new connections to the District Sewerage System in accordance with North Carolina Law. "New sewer connections" include any new construction to be connected to the District Sewerage System, mobile homes to be connected to the District Sewerage System and additions or alterations to existing wastewater flow. The applicant for wastewater service is responsible for obtaining any necessary rights of way (deeded easements) for sewer service between the applicant's property and the connection to the District Sewerage System. If there are any sewer lines located on the property, it is the owner's responsibility to identify and locate the sewer lines to ensure that no structures or other improvements are located in violation of North Carolina Law. Contact MSD for assistance in locating the sewer lines. MSD reserves the right to rescind any approval of this application and any allocation of wastewater flow if any information on this application is incorrect or if MSD is prohibited by the State of North Carolina or EPA from accepting additional flows.

<u>ALLOCATION FORMS</u>: A sewer Allocation is required for any residential project greater than two single-family residences. All <u>new</u> commercial projects require an Allocation, and occasionally an Allocation is needed for commercial upfits or tenant change-outs. The Allocation fee is \$170.00. If you have questions regarding this form, please call Mike Butler (828-225-8265) or Kay Farlow (828-225-8272).

<u>RELEASE OF CERTIFICATE OF OCCUPANCY (C/O'S)</u>: MSD will hold final inspections (Certificate of Occupancy or Completion) for projects where the sewer system has not been transferred to MSD, or for projects where required sewer work has not yet been completed. If you have questions, please call Kevin Johnson (828-225-8289).
